## COUNCIL COMMUNICATION

**AGENDA TITLE:** Conduct a Public Hearing to Consider Adopting a Resolution Vacating the Public Utility Easement Along the South Ten (10) Feet of Lots 90, 97, 98, 99, and 100 of Sunwest, Unit No. 12

**MEETING DATE:** October 18, 2000

**PREPARED BY:** Public Works Director

**RECOMMENDED ACTION:** That the City Council, after reviewing the finding by the Planning Commission and conducting a public hearing, adopt a resolution abandoning the public utility easement along the south ten (10) feet of Lots 90, 97, 98, 99, and 100 of the Sunwest, Unit No. 12 subdivision.

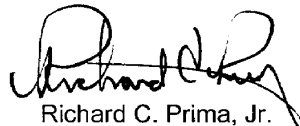

**BACKGROUND INFORMATION:** At its regular meeting of September 20, 2000, the City Council adopted a resolution of intention to vacate the public utility easement along the south ten (10) feet of Lots 90, 97, 98, 99, and 100 of the Sunwest, Unit No. 12 subdivision, and referred the matter to the Planning Commission.

The Sunwest, Unit No. 12 development is within the Kettleman Lane Lift Station service area. Since siting and construction of the Kettleman Lane Lift Station would have been premature at the time of development of this subdivision, a public utility easement along the south ten (10) feet of Lots 90, 97, 98, 99, and 100 was dedicated on the final map to allow construction of a temporary 6-inch sanitary sewer main from Vienna Drive to a temporary sanitary sewer lift station installed in Heidelberg Drive (Exhibit A). These temporary facilities were to be abandoned with future development when connection to the Kettleman Lane Lift Station was available.

Construction of the Kettleman Lane Lift Station (aka Tienda Drive Lift Station) was completed and accepted by the City Council in September 1999. As a condition of development for the Sunwest XIV subdivision, the temporary lift station and sewer main serving the Sunwest, Unit No. 12 development has recently been abandoned and sewer mains extended to the Kettleman Lane Lift Station located at the intersection of Mills Avenue and Tienda Drive (Exhibit A). The Sunwest XIV improvements are complete and have been accepted by the City. The 10-foot public utility easement within the Sunwest, Unit No. 12 development, therefore, is no longer needed. The developer of the Sunwest XIV development has also provided written approval for the easement abandonment from PG&E, Pacific Bell, and MediaOne.

The Planning Commission will hold a hearing at its meeting of October 11, 2000 to determine public need, present or future, of this easement. Since this meeting is after the deadline for Council Communications for the regularly scheduled October 18, 2000 Council meeting, the Planning Commission's finding will be provided to Council at its meeting, prior to this public hearing.

**FUNDING:** Abandonment fee paid by FCF Development Associates, LLC, A California Limited Liability Company, developer of Sunwest XIV.
